**£2,320.17**

Carriage Free UK Mainland.

## Features

- IGBT MIG MAG/MMA/Lift Arc TIG Inverter
- Digital amp and voltmeter
- High duty cycle
- Advanced control circuitry
- Burn back control & wire inching
- Suitable for 0.6,0.8,1.0 and 1.2mm wire
- 2T/4T trigger function
- Power & status LED's
- Gas check function Variable inductance.

**5 Years commercial  
warranty as standard**

## Specification

Field	Detail
Model Code	JM-350S
Input Voltage 50hz	415V
Input Current	22
Voltage Range	15-36
Secondary no load voltage	65
Current Range	50 - 350
Output @ 40% duty cycle	MMA 350A MIG 350A
Spool Size Max	300mm
Insulation	F
Protection	IP21S
Packed Dimensions (HxWxL) mm	760 x 365 x 585
Weight (Kgs)	49

**Carriage Free UK Mainland.**
